With evolving Indian luxury real estate market, non-resident Indians (NRIs) are increasingly pivoting the segment. Let see what industry honchos have to say...

MANOJ GAUR

CMD, Gaur Group &
President, CREDAI NCR

“NRI investment in luxury real estate projects has become quite significant. With the equity market at an all-time high, the NRIs turned their attention to the luxury property market, which is reasonably priced and presents ample opportunities for value appreciation. I expect the NRI investment in the luxury segment to go up further.”
