## REALTORS'

FORUM

**New guidelines have been issued by the ministry of health and family welfare for shopping malls which are allowed to be opened from June 8, 2020. Let's see what industry players have to say on this...**

**We welcome the decision of the government to open the malls. We have taken all necessary precautions and are preparing our staffs to handle the crowd and shoppers coming to the mall. We will have thermal checking at the main entry. No one will be allowed to enter the mall without mask and it will be mandatory to wear mask all the time inside the mall.**
