Greater Noida: Movie producer **Boney Kapoor** has expressed interest in acquiring 30 acres near the proposed Jewar airport to set up a film city

Kapoor is expected to visit the area sometime next week, accompanied by his architect. YEIDA officials said Kapoor had shortlisted another site in

Jewar next week. I will visit the project site. We are yet to finalise the dates," Kapoor told TOI.

Sandeep Marwah, founder of Noida Film City, said Jewar was a viable option for develo-

Lucknow and was expected to choose any of the two plots during his visit.

"We have scheduled a visit to

Lucknow, said Shailendra Bhatia, OSD at YEIDA. Bhatia said Kapoor had then signed an MoU with the UP government to develop a film city.
